

STARTFAZE

FOR INVESTORS

Turn your capital into returns with impact.

Startfaze builds AI-native companies from the ground up. Exceptional founders, a proven business operating system, and a portfolio built to succeed.

WHY INVEST WITH STARTFAZE?

HIGHER PROBABILITY OF SUCCESS

De-risked through proven processes, expertise and AI-native execution.

REAL-WORLD IMPACT

Companies that solve meaningful problems across key industries.

ATTRACTIVE RETURNS

Scalable portfolio with significant upside potential.

AN EXPERIENCED PARTNER

We do more than provide capital. We help build exceptional companies.

“Returns and impact don’t have to be a trade-off. With expert guidance, AI-native execution and shared infrastructure, we build companies that deliver both.”

STARTFAZE

HOW IT WORKS

1. SOURCE & SELECT

We identify and validate high-potential founders and ideas.

2. PLAN

We work with founders to design a custom plan, from idea to revenue.

3. LAUNCH

Founders execute with our support, AI-native infrastructure and proven playbooks.

4. SCALE

We support growth with ongoing operational support.

5. CREATE VALUE

Successful companies deliver strong financial returns and real-world impact.

WHAT MAKES STARTFAZE DIFFERENT?

EXCEPTIONAL FOUNDERS

We carefully select founders with deep domain knowledge.

MODULAR EXPERTISE

We provide a shared operating system covering all key functions.

AI-NATIVE FROM DAY ONE

Companies are built leaner, faster and more efficiently with AI at the core.

CAPITAL-EFFICIENT BUILD

Minimal operating costs, fast revenue and profitability.

SCALABLE PORTFOLIO

A repeatable model to create and scale multiple profitable companies.

IDEAS. FAST. FORWARD.
