

STARTFAZE

Building exceptional companies together.

Startfaze brings founders, investors and specialists together to build AI-native companies that are lean, fast and built to last.

FOR FOUNDERS

Turn your vision into a sustainable business.

Funding, expertise and shared infrastructure to get from idea to first revenue, faster.

FOR INVESTORS

Turn your capital into returns with impact.

A growing portfolio of AI-native companies, built lean and designed to scale.

FOR SPECIALISTS

Turn your expertise into value at scale.

Shape many ventures, not just one, and get rewarded for the value you help create.

IDEAS. FAST. FORWARD.
