

STARTFAZE

Built to last, not to burn.

Startfaze works with founders who want to turn their ideas into lasting impact, while staying in control of their company.

SURVIVE AND THRIVE

WE ASK THE RIGHT QUESTIONS

OTHER INVESTORS ASK

Could this be the next unicorn?

What will the next round look like?

How big is the total market?

How fast can it grow?

Which few bets will pay off?

STARTFAZE ASKS

Will this go the distance?

We back camels: companies built to survive any climate.

When will it be profitable?

One initial investment and a clear path to profit, not endless rounds.

What return will the investment earn?

A solid return matters more than a huge addressable market.

For how long can it keep growing?

Sustainable growth, real impact and lasting profit.

How do we make every company succeed?

We provide expertise and support to maximise every company's chance of success.

IDEAS. FAST. FORWARD.
